Hi Brian,

Roger That. Danielle is in the process of creating a point on that map so that she can create a Work Order; she also advised that she would also prioritize this location.

Take Care,

I advised Lorraine on this location last week. My partner and I towed the large trailer on Friday. All of the items that are in the photos were unloaded from the trailer. I advised the "owner" that he was now in violation of 56.11 and sanitation would be returning. Will we keep up with it.

Good morning UHRC,

I hope this email finds you well.

The CD2 field office and LAPD HOPE Officers have diligently worked with LAHSA and any departments to remedy the situation at this location. Please see the below photos we received from a resident on this street from this weekend.

This is 6700 Satsuma Ave, 91605, just South of Vanowen St.

I have CC'ed the HOPE Officers, and the field deputy in our office, Lorraine Diaz. Please feel free to reach out to our office if you are able to help in any way. We've had numerous clean ups, but it seems the situation has only continued to build. The individuals have tarped off a large section of the street/sidewalk now.

Thank you,

Good morning Morgan,

I would like to know when I can have a meeting with your office regarding the clean up of 6700 Satsuma.

I have been working really hard with city 311, LAPD, but I believe we are still in desperate need of our councilman.

My boss is in the process of selling due to our non stop vacancies because our residents are extremely afraid of our area.

Re: Re Help for Residents

I appreciate your immediate attention to this serious matter.

I have attached a few pictures

Thank you
Rox
